

An Invitation to Early Literacy Training

For Pre-Kindergarten Classroom Staff and Administrators

The NC Literacy Connection: **A Statewide Network of Early Literacy Leaders**

Project Enlightenment provided early literacy training across the state last year and that training is being offered again for new teachers and those who did not attend last year. (Follow-up training will be coming! Watch for information!)

“Making the Literacy Connection: Linking the Latest Literacy Research to Classroom Practices”

- Attend a 6 hour professional development
- Hear current research from the National Early Literacy Panel
- Learn how to implement intentional literacy strategies appropriately

Look what participants said about this training...

“One of the best trainings I have attended... I’ve been in the field over 20 years.”
 “I thought it was great training and well-worth the time and drive. I got great ideas for my classroom to further enrich literacy. It was great that it was directed to Pre-K!”
 “Very informative – good demonstrations of ways to make literacy a part of everything we do.”
